

Making a Difference: A Call to Action to Help Toronto Victims of April 23rd tragedy

Dear Parents/Guardians,

The Summit Heights PS community are all really saddened by what happened on April 23rd, 2018 in Toronto. We want to make a difference for the people who have been hurt or impacted by this tragedy. We send our condolences to those families who lost loved ones, and our thoughts and prayers for a swift recovery go to those injured in this attack.

As a school community, we want to raise money to help these people in their recovery.

Our goal for Summit Heights is to raise at least \$500 in donations. Please consider giving what you can.

We will donate 100% of the money we raise to the *Toronto Foundation* (www.torontofoundation.ca), Their mission : to connect philanthropy to community needs and opportunities.

Charity number: 13649 1875 RR0001

Donations for this cause will be collected by students and handed over to classroom teachers daily, and then securely stored at our school until we donate all of the funds to the *Toronto Foundation*. We will be collecting donations until May 11th.

Please complete the information below for each pledge to help.
