

February 6, 2019

Dear Parents/Guardians/Caregivers and Community Members:

As a follow-up to my November 27, 2018 letter, the Toronto District School Board (TDSB) would like to invite you to a public meeting to discuss program issues and accommodation pressures at area schools. As you may be aware, some schools are experiencing over-enrolment and there are some challenges with the elementary and secondary pathways.

These issues impact the following schools:

- William Lyon Mackenzie CI
- John Polanyi CI
- Dublin Heights E&MS
- Faywood Arts-Based Curriculum School
- Ledbury Park E&MS
- Summit Heights PS

The same meeting will be offered on two different dates. Please feel free to attend the meeting that is the most convenient to you:

- **Tuesday, February 26, 2019 at 7:00 p.m.**
- **Thursday, February 28, 2019 at 7:00 p.m.**

Both meetings will be held in the auditorium at **Northview Heights Secondary School located at 550 Finch Avenue West.**

A Local Feasibility Team (LFT) consisting of principals from area schools, the local trustees and several TDSB departments including Strategy and Planning, Leadership, Learning and School Improvement, and Special Education met in May and June 2018 to discuss potential solutions. The LFT also discussed potential changes to programs, grade configuration, school pathways, and attendance boundary changes among a number of schools including Faywood ABC, Summit Heights EMS, Dublin Heights EMS, Ledbury Park EMS, William Lyon Mackenzie CI and John Polanyi CI.

Please note that no decisions have been made yet and no school closures are being considered.

Building on the work of the LFT, the TDSB approved the creation of a Program Area Review Team (PART) made up of parent and TDSB representatives to look at possible options. As part of this process, parents/guardians/caregivers and community members will have an opportunity to provide feedback and ask questions.

The information provided at the meeting will be available on the TDSB website:
